

## Handout 1: QI Projects addressing PrEP, Housing, and Disparities

*Last Updated January 2025*

RW Part	Agency	Topic	Measure	Date Source	Status	Results (or attach report)
A NH/FF	Region 1	Disparities	Identify causes / address barriers for non-virally suppressed cohort		Completed	Housing insecurity, resistance to meds
A NH/FF	Region 1	Disparities	STI screening		Current	
A NH/FF	Region 3	Disparities	Hepatitis B vaccination rate among Heterosexual Black women, Transgender women of color, and MSM of color			
A NH/FF	Region 3	Disparities	Oral health screenings among Heterosexual Black women, Transgender women and MSM of color			
A NH/FF	Region 4	Disparities	Increase viral load suppression among black women and young MSM of color; maintain Region's 92% viral load suppression rate			
A NH/FF		Disparities	Linkage to care			
A Hartford	ACT	Disparities	VL suppression in clients that suffer from MH and substance misuse		Completed	
A Hartford	ACT	Disparities	Employment workforce initiative			
A Hartford	LCS	Disparities	VL suppression in clients that suffer from MH and substance misuse		Completed	95% virally suppressed (see summary)
A Hartford	CRT	Disparities	Engagement among Black/Brown heterosexual males		Completed	271 clients tested during year (see summary)
A Hartford	SFH	Disparities	Hepatitis B Screening and Vaccination Performance Improvement Initiative			
A Hartford	LCS	Disparities	HIV/HVC Testing; Connect and Reconnect to care			
A Hartford	HRA	Disparities	Screening for TB, Hepatitis C, and Syphilis			
A Hartford	UCONN	Disparities	Oral Examination Screening			
A Hartford	TGA-wide	Disparities	Oral Health Screening			
A Hartford	CRT	Disparities	Increase Education, testing and usage of Mental and SUD services in Black/Hispanic heterosexual population			

RW Part	Agency	Topic	Measure	Date Source	Status	Results (or attach report)
A Hartford	CHS	Disparities	Cervical Cancer Screening: What we want to improve			
A Hartford	THC	Disparities	STIs			
A Hartford	THC	Disparities	Linkage to care			
A Hartford	CHC	PrEP	PrEP Care Coordination			
A Hartford	THC	PrEP	PrEP services to MSM testing			
A Hartford	Mercy	Disparities / Housing	Retention in care in Black/African American or Hispanic Individuals, Black/African American, MSM individuals. (90% Housing Stability)			
D	CCMC/UHC	PrEP	Increase PrEP referrals based on EMR pathways			
D	CCMC/UHC	Housing	Housing stabilization 2.0			
Prevention	Planned Parenthood	PrEP	Increase PrEP uptake after STI testing (revised screening tool)		Current	
	Yale InSTRIDE	PrEP	InMOTION and STOP HIV			
	Yale HC Van	PrEP	Standardize PrEP screening eligibility and referrals			
	Liberty	Housing	Homeless prevention			

**QI Projects on Other Topics of Interest / Projects Worth Spotlighting**  
*Last Updated January 2025*

RW Part	Agency	Topic / Condition	Measure	Data Source	Status	Results (or attach report)
A NH/FF	APEX	STIs	CPM Committee: Reduce gaps in care and increase screenings for chlamydia, syphilis and HCV			
C / D	SWCHC	Oral health	Increasing oral health access for PWH		Current	
A NH/FF	Optimus	Oral health	Increasing oral health access for PWH			
A NH/FF	Optimus	Behavioral health	Increase access to behavioral health			
A Hartford	THC	HIV / STI treatment	Increase access to HIV treatment and Doxy PEP			
A NH/FF	GBAPP	Status Neutral Care	Increase PrEP and testing via status neutral care approach			
A Hartford	CHS	Mammogram screening	Improve mammogram screening			
A NH/FF		Linkage to care	Linkage to care in 1 month			
	CT Alliance to End Sexual Violence	Sexual assault	Strengths and needs assessments / resource sharing for sexual assault centers			
Prevention	Planned Parenthood	HIV Testing	Number of pts age 16-24 who have completed HIV screening after medication abortion		Current	
Prevention	Planned Parenthood	STI screening	STI Express Visits: Lead time (wait time) to get STI testing Number of patients screened in by the STI no-symptoms visit type		Completed
